C.E.B. Account # : **4890561315**

To whom it may concern,

**Unauthorized Access to Property and Unauthorized Cutting Down of Trees By C.E.B.**

Please be advised that a team of C.E.B workers and/or contractors have **Trespassed into my property** (behind gates, walls, fences) on the 27-DEC-2019 and cut down some of the trees (instead of trimming) without the owner's consent. which is highly unacceptable and illegal.

If there are certain Laws stating/authorizing C.E.B. to carry out these actions without property owner's authorization and approval, kindly provide a copy of it.

I have many times tried to get in touch with Mr. Hemawansha, in charge of Kelaniya Depot, Regarding this, but was unable to get through or didn't receive a call back.

Please note:

for security reasons I would require C.E.B. to provide me with N.I.C. details/copies of the C.E.B. workers and/or contractors who trespassed into my property on the 27-DEC-2019.

And will not hesitate to take legal action if C.E.B. fails to comply.
