

DEMOCRATIC SOCIALIST REPUBLIC OF SRI LANKA
MINISTRY OF POWER, ENERGY AND BUSINESS DEVELOPMENT
AMENDMENT TO THE NOTICE INVITING EXPRESSIONS OF INTEREST FOR ESTABLISHING
GRID-CONNECTED ELECTRICITY GENERATION PLANTS PUBLISHED ON 22-03-2019

In view of the large number of inquiries and clarification received regarding the above notice, it has been decided to expand the scope therein as follows.

1. The total capacity limit has been increased up to 200 MW from 100 MW.
2. Minimum installed capacity in a single location will be 24 MW and the maximum installed capacity will be 200 MW, which will be decided based on the location proposed.

All other conditions and instruction in the notice published on March 22, 2019 will remain unchanged.
