

CEYLON ELECTRICITY BOARD

PURCHASING OF LAND - KOTADENIYAWA

Sealed quotations are invited to purchase a land about Eight (08) Acres to construct a Grid Substation situated around or 2 km vicinity from Mallawagedara, Badalgama.

In case of no single owner land is available, adjoining small lands may be quoted to form the above extent. The purchase price of the land will be determined by CEB based on the valuation given by the Department of Valuation.

The land should be free of any disputes, rocks, flood hazard and should not be marshy land. It should have minimum of 30 feet wide access and should be located in non-congested area. Land located near the paddy fields are most suitable for the purpose.

The sealed quotations should be forwarded with the following information to undermentioned address on or before March 27, 2020 by registered post and at the top left-hand corner of the envelope should be titled "Purchase of Land – Kotadeniyawa".

Required Information:

1. Name, address and contact details of the owner.
2. Details of access to the land.
3. Extent of the land and selling price.
4. Copies of the deed and the plan.
