General Manager,
Ceylon Electricity Board.

Construction of 220kV underground cable from Kerawalapitiya GSS to Colombo Port GSS under AIIB Loan Scheme

The SCAPC decision taken by circulation minute dated 21.02.2023 is given below.

“SCAPC considered the TEC report and granted approval to accept the technical bids following bidders and to proceed with the evaluation of their financial bids, upon receiving the concurrence of the funding agency, AIIB, for the technical evaluation.

- Consortium of China National Cable Corporation, China & Thaihan Cable & Solution Co. Ltd., Korea.**
- Consortium of Jiangsu ETERN Co., Ltd China, & LS Cable & System Limited (LS Cable), Korea”**

Please act accordingly.

Shalomy Chandrarajan,
Assistant Director (Proc. & Eng.)
For Secretary,
Ministry of Power & Energy
